Experience

Projects Editor

CORNELL DAILY SUN

Ithaca, NY

February 2016 - Present

- Joined Design staff in February 2016. Was elected Assistant Design Editor in March 2017 and Projects Editor in March 2018
- Worked with news, artists, and web developers over an entire semester on investigation into mental health care at Cornell
- Responsible for designing print paper and all graphics and visualizations. Led production from moment first story arrived until paper had been sent to printer
- Led department of 20+ people through major staffing and role changes, including a software transition and a full department restructuring

Product Management Intern

FLYINSTYLE

Ithaca, NY

May 2017 - August 2017

- Reviewed and created layouts and designs used by FIS and partners. Over 90% of my initial suggestions were approved
- Ensured consistency in style and content across all sites and apps

Teaching Assistant

CORNELL UNIVERSITY - PLPPM 2013

Ithaca, NY

January 2017 - May 2017

- Co-taught weekly lab sections, including lab activities, to 20+ students
- Helped administer and grade one final and two preliminary exams
- Produced informational materials for demo labs attended by over 300 students

Instructor

ID TECH CAMPS

Stanford, CA

June 2016 - August 2016

- Created curriculum and curricular tools for instruction that were then adopted by several other instructors at my location
- Taught Python and game design to 50+ students
